

# RESILIENT LOUISIANA COMMISSION

CO-CHAIR DON PIERSON

CO-CHAIR TERRIE STERLING

## Energy Task Force

June 22, 2020

Meeting called to order at 4:00 PM CDT

### Task Force Members Present

- Rhoman Hardy (Co-Chair)
- Shane Hilton (Co-Chair)
- Mayor Jeff Hall
- Brian Bond
- Blake Canfield
- Greg Bowser
- Nick Piatek
- Laura Ferrell

### Administrative Actions:

- Roll was called
- Not enough members for a quorum

### Overview of Report & Presentation:

- The Co-Chairs provided an update on the final report and their presentation to the Commission.
- Key points made to the commission from the ETF Report were:
  - Impacts to customers
  - A thorough understanding of the macro economic conditions of the demand destruction and how they will not bounce right back. These conditions take time to recover.
- The Commission now has a lot of good information to work with to create a more resilient Louisiana. As leaders, need to continue to challenge selves and ensure these recommendations are heard.

### Closing Remarks:

- The Co-Chairs thanked all members for their commitment and participation in the Task Force.
- Next steps include:
  - Commission will have a “next steps” meeting on June 26<sup>th</sup>
  - Work from members is wrapped up for now but remain engaged and ready to reconvene when necessary.

**Meeting Adjourned**
