RE: ASSIGNMENT TO RESILIENT LOUISIANA COMMISSIONERS TO CRITICAL SECTORS

All: It was recently endorsed by the RLC Commission that RLC would have at least one Commissioner assigned to each of our critical sector Task Force areas. Of course, each Commissioner may attend any and all TF meetings as an Ex-Officio member. The following list makes an assignment of a single Commissioner aligned with and dedicated to each of our 15 sectors. In this way we'll know that we have one Commissioner representing RLC at each TF meeting. Minutes of each TF meeting (call) will also be posted on the RLC web site.
