RESILIENT LOUISIANA COMMISSION

POLICY FOR EXTERNAL REQUESTS

For external requests you receive about the work of the Resilient Louisiana Commission, we ask that you immediately forward those requests to each of the following:

- Andrew.Doss@la.gov [Andrew Doss, RLC staff]
- David.Carter@la.gov [David Carter, LED/RLC staff]
- ResilientLouisiana@la.gov [Commission staff]

Please follow this policy for all media and interview requests; public appearance and speaking requests; and public records requests.

A goal of the Resilient Louisiana Commission is to convey a unified message about the efforts of the Commission and Louisiana's ability to rebound stronger from the COVID-19 pandemic. Commission leadership has established that Co-Chairs Terrie Sterling and Don Pierson and ex-officio member Kimberly Robinson will be the primary spokespeople for the Commission.

Should you have any questions about this policy, please contact David Carter, the RLC's Communications Director, who may be reached at david.carter@la.gov or (318) 455-8171.

We encourage a robust discussion among all of our commissioners and task force leaders, along with public input, as we seek to build a more Resilient Louisiana. This policy will help us communicate the work of the commission and task forces in a clear, effective and transparent manner.
