**RESILIENT LOUISIANA COMMISSION CERTIFICATION PURSUANT TO  
LA 42:17.1 (ACT NO. 302 OF THE 2020 LEGISLATIVE REGULAR SESSION)**

In accordance with LA. R.S. 42:17.1 (ACT NO. 302, 2020 REGULAR LEGISLATIVE SESSION) and there currently being in effect a public health emergency as declared by Governor John Bel Edwards in Executive Proclamation 25 JBE 2020 issued on March 11, 2020 in response to the threat posed by COVID 19, which remains in effect pursuant to Executive Proclamation 158 JBE 2020, issued on November 5, 2020, which declared that a statewide public health emergency continues to exist and which remains in effect from Friday, November 6, 2020 to Friday, December 4, 2020, or as extended by any subsequent Proclamation, unless terminated sooner, this notice shall serve as a certification by the presiding officer of the Resilient Louisiana Commission ("RLC"), Secretary Don Pierson, that:

- 1) A declared state of public emergency exists through December 4, 2020 in response to the threat posed by COVID-19 as reflected in Executive Proclamation 158 JBE 2020, issued on November 5, 2020;
- 2) An in-person meeting of the RLC conducted in accordance with otherwise ordinary provisions of the Louisiana Open Meetings Law would be detrimental to the health, safety and welfare of the public;
- 3) The agenda of the meeting to be held on the 20<sup>th</sup> day of November, 2020, is limited to matters that are directly related to RLC's response to the public emergency and are critical to the health, safety or welfare of the public;
- 4) In addition, Proclamation Number 158 JBE 2020, limits crowd sizes to not more than 50% of capacity in any single indoor space at the same time where individuals will be in close proximity to one another and unable to maintain social distancing of six feet apart from individuals who are not immediate household members. The RLC is composed of 18 members and 30 sub-committee Task Force Leaders, and would likely have a total indoor crowd at the meeting, including staff and public that due to available room space limitations would exceed the 50% capacity limitation.

Considering the foregoing and pursuant to LA. R.S. 42:17.1, the Resilient Louisiana Commission meeting on November 20<sup>th</sup>, 2020 at 10:00 am CDT will be held via video conference and in a manner that allows for observation and input by members of the public as set forth in the notice of such meeting posted herewith.
